PUBLIC HIGH SCHOOLS

The Rivers Secondary College:

The Rivers Secondary College is the collaboration of three campuses delivering excellence in education for Lismore. Combining the talents of all staff, with high quality learning facilities, the College provides innovative programs and opportunities.

Kadina High Campus

Avibrant learning community where students are supported and challenged to achieve personal success and develop lifelong learning skills. This philosophy drives the direction of the school. It is underpinned by a curriculum model that promotes excellence and equity, has high expectations, standards and rigour, strong communication lines with parents, and a student welfare model of care and support.

Kadina St Goonellabah
kadina-h.school@det.nsw.edu.au 02 6624 3133

Lismore High Campus

Caters for a wide range of students, most of whom reside in Lismore City or nearby rural areas. The school aims to work with parents and caregivers to provide a caring and supportive environment that will maximise each student's potential to develop into responsible citizens. Students are expected to demonstrate their citizenship of Lismore High School by their cooperation, respect for others and diligence. All Year 7 students follow a set curriculum to provide a transition between primary classes and the vertically unitised curriculum which they enter in term 4.

118 Dalley St Lismore
lismore-h.school@det.nsw.edu.au 02 6621 5185

Richmond River Campus

Ac aring school of excellence shares in its core values the North Coast Regional commitment to capacity building within schools. This is achieved through great leaders planning, developing and sustaining innovative programs and excellent opportunities for students and staff; great teachers planning and delivering quality teaching; and great partnerships delivering student success.
